

**PHYSICAL THERAPIST
SCHOOL SETTING**

Position available in Portage County to provide therapy services in a school setting. The therapist will provide evaluation and individualized therapy for diagnosis such as cerebral palsy, abnormal muscle tone, limitation of joint mobility, balance problems and decreased coordination. The physical therapist will team with other support personnel to provide direct, indirect and consultative services. This position involves primarily working within a single school system.

RESPONSIBILITIES:

Include but not limited to:

1. Provide physical therapy evaluation, program development, and treatment to school age children appropriate for physical therapy.
2. Assist in the development of the IEP's and IFSP's within the school established time frame.
3. Develop and follow appropriate treatment schedule.
4. Maintain documentation as required by the school.
5. Instruct parents and teachers in the use of techniques and equipment.
6. Serve as a representative to appropriate committees within the school setting.
7. Attend orientations, meetings and inservices as scheduled.

JOB REQUIREMENTS:

Licensed as a Physical Therapist in the State of Ohio.

State of Ohio Department of Education license (may obtain at time of employment)

Satisfactory fingerprint and background check
